## SKILLS

## EDUCATION

BBA Supply Chain Management  
University of Georgia  
2015-2019  
GPA 3.25

Data Analytics Boot Camp  
Georgia Tech  
May 2020 – Nov 2020

## ABOUT ME

I am seeking an entry-level position in a company that values analytical skill and creativity. I graduated with a Supply Chain Management degree but seek to utilize my skills for a data science and analytical role.

## EXPERIENCE

### Business Development Coordinator

M&M Headgear / Duluth, GA / Jun 2019 - Present

- Develop the current state of the company by introducing waste management techniques as well as upgrading technology to improve the quality of work and data management
- Create and manage new ecommerce market channels using Amazon FBA program to reach more consumers and receive feedback

### Branch Manager / Intern

Student Painters (YEAA) / Suwanee, GA / Feb 2018 – Apr 2018

- Manage regional marketing activities from online ads to cold calling houses
- Manage relationships with 20+ clients and sell over \$3000 of business
- Lead a team of marketers: interview, hiring, and training

### Intern

M&M Headgear / Duluth, GA / Jan 2016 – Mar 2016

- Shadow an analyst who worked with Excel to look at product trends
- Handle products, packaging, and delivering in the warehouse

## LEADERSHIP

### Project Manager / Event Coordinator

Students for Christ / Toccoa, GA / Oct 2017 – Jul 2018

- Manage and plan a conference for 20 churches in the mid-south Region

### Youth Director

Evergreen Presbyterian Church / Suwanee, GA / Jan 2016 – Jan 2017

- Lead a team that overlooked youth students through organized meetings, planning activities and managing finances
